**Sub: JNTU Anantapur - Examination Branch - New EDEP System - Hardware requirement - Information - Reg.**

It is informed to all the Principals that the forth coming MBA, MCA, M.Tech, M.Pharmacy, B .Tech & B.Pharmacy examinations will be conducted by J.N.T. University, Anantapur. The examinations will be conducted by using a revised EDEP Software in which a LAPTOP Note Book with other peripherals at the college will be in a virtual private Network (VPN) with University examination branch. You may be aware that JNTU, Anantapur entered an MOU with M/s. Sonti Soft Solutions Private Limited, Hyderabad for providing software solutions for the examination branch. They are developing the required software. Using this software, the data of students (photographs, finger prints etc.) can be stored in the Note Book. This data in the Note Book can be uploaded to the University server. All this data will be utilized in Hall Ticket generation and result processing. All the colleges are required to procure the Note Book Computer well before the start of the examinations and get the required software loaded. The configuration and specifications of note book will be intimated shortly. All are requested to cooperate.

Wish you a Happy & Prosperous New Year 2009
