IMPORTANT CIRCULAR TO THE PRINCIPALS OF ALL COLLEGES

It is brought to the notice of the University authorities that the Principals are advising the students to directly call on the mobile phones of the University authorities for information regarding results /award of degree leaving two theory subjects/corrections in Marks Memo/ issue of PC under tatkal etc. This is severely hampering the work at the University level. All the Principals are hereby advised to counsel the students not to telephone University authorities directly. The Principals have to clarify all the doubts of the students at the college level. It is once again clarified that the students should represent their issues only through their Principal and direct representations will not be considered.

The Cooperation of all the Principals is solicited.
