Sub: JNTUA - Anantapur - Examination Branch - MCA IV & V Semester Reg & Supple November 09
Examinations - D Forms - Dispatch- Reg.

It has been displayed in the examinations portal that the **D forms of the ongoing MCA examinations** have to be dispatched along with the day wise statements on the same day on day to day basis by speed post in a separate cover super scribed with the details of the examination and the date of the examination to the examination branch. It is found that, till date the examination branch has not received any D forms in separate covers as expected. It is once again informed to send the D forms by speed post in separate covers addressed to the Additional controller of Examinations on the same day without fail. This will help us to process the results smoothly and quickly.

The Cooperation of all the Principals is solicited for the smooth conduct of examinations and processing of the results.
