Lr.No.A1/Course Codes/Inter University Transfer/2011-12

Date:14-06-2011

To
The Principals of Constituent & Affiliated Colleges.

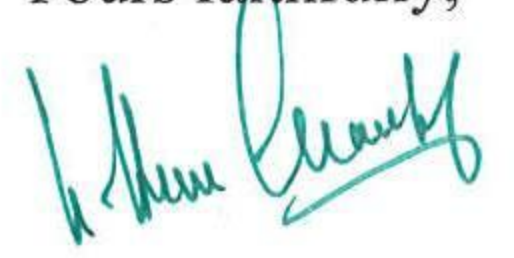

Sir,

Sub:- JNTUA, Anantapur – Academic & Planning – Course codes for the Inter University transfer – Communicated – Reg.

The Government of A.P / Technical Education Department is permitting transfer of students from affiliated colleges from one University to the affiliated colleges of other University. There is a confusion with regard to the Admission numbers of such students joining the affiliated colleges of this University from other University.

It is therefore decided to introduce the code '8' for Type of Course (5th digit of Admission No.) for the students joining affiliated colleges of this University on transfer from other JNT Universities. In cases of students transferred from other universities other than JNTUs, the principals are requested to write to this office and obtain a fresh admission Number.

All the Principals are requested to note this and act accordingly.

Yours faithfully,

DIRECTOR i/c.
