ORDER:-

As per B.Tech. (R07) regulations, one of the academic requirements to award degree is that the student should secure 216 credits (out of 224credits registered) with the compulsory subjects as listed below:

1. All the first year subjects
2. All the practical subjects
3. Industry oriented mini-project
4. Seminar
5. Comprehensive Viva-Voce
6. Project work.

Many representations from the students of this university belonging to R07 regulations are received, requesting the University to exempt I year subjects from the compulsory subjects clearing that in spite of their hard work and best effort, they are unable to pass one or two subjects of I year which are compulsory subjects to become eligible for the award of degree.

In this connection, after careful consideration of the representations, mentioned above, the Vice Chancellor is pleased to exempt all the first year theory subjects from the compulsory subjects. The clause No.1 of R07 regulation is hereby amended as follows for such students of R07 regulations who have I year theory subjects as back log subjects;

A Student will be declared eligible for the award of B.Tech. Degree if he/she fulfills the following academic regulations:

- i. Pursued a course of study for not less than four academic years and not more than eight academic years.
- ii. Registered for 224 credits and secured 216 credits with compulsory subjects as listed below.
 1. All the practical subjects
 2. Industry oriented mini-project
 3. Seminar
 4. Comprehensive Viva-Voce
 5. Project work.

However in case of students who have one back-log subject carrying 6 credits, degree shall be awarded for the best 218 credits.

This order shall come into force with immediate effect.
