

June 2nd & 3rd JNTUA-Anantapur

JOBFAIR @ JNTUA ANANTAPUR CAMPUS

With the Indian Economy having sustained growth despite global recession, India Inc. once again started their talent hunt. Jawaharlal Nehru Technological University - Anantapur and Globarena Technologies Private Limited (Globarena) are jointly organizing a "JOBFAIR" on 2nd & 3rd of June - 2011 to facilitate campus recruitment by organizations like yours. All candidates attending this JobFair will not only be passing out from university JNTUA, but also undergo international language, aptitude and behavioral courses which makes them productive much faster than most other fresh graduates. The JNTUA - Anantapur affiliated colleges have huge number of talented fresh engineering graduates/post graduates, MCA, MBA and M.Sc candidates yet to be tapped by the corporate sector. We invite you to make use of this excellent opportunity by participating as an employer to recruit some bright fresh candidates from this hitherto untapped region.

"Participation as an employer is completely free"

ADVANTAGE OF JOBFAIR TO INDUSTRY PARTICIPANTS

This JOBFAIR will not only provide large pool of industry-ready fresh graduates for you to pick & chose, but also will be an opportunity for your organization to gain more visibility and awareness amongst the academia as well as students about your requirements and offering.

To make the entire process smooth and easy for you, JNTUA and Globarena will provide

- ✦ **Venue with all essential infrastructure to conduct**
 - Aptitude Tests (Paper based / Online)
 - Group Discussion
 - Personal / Technical Interviews
- ✦ **Exclusive time slots and space**
- ✦ **Logistical Support**
- ✦ **Local travel and hospitality at the campus**

"Brand presence of your company on all banners / material"

About JNTUA ANANTAPUR

Jawaharlal Nehru Technological University, Anantapur was established in the month of August 2008 by the Act No.30 of Andhra Pradesh State Government. University has got 12B status from UGC. JNTUA offers B.Tech / M.Tech, M.Sc, MBA, MCA, Ph.D courses.

Under the able guidance of Prof. B. Krishna Gandhi, as Vice Chancellor, the university is on the growth path.

JNTUA Anantapur has created new Directorate called Industrial Relations & Placement to have tie up with industry as well as to create job opportunities for the students belonging to constituent colleges/institutes (JNTUA College of Engineering Anantapur, JNTUA College of Engineering Pulivendula and JNTUA OTRI) and affiliated colleges (174).

JNTUA College of Engineering Anantapur is one of the oldest colleges in the country and was established in the year 1946. The other constituent college is JNTUA College of Engineering, Pulivendula established in the year 2006. Oil Technological Research Institute (OTRI) was established in August 1949, by the then composite Madras State at Anantapur. The basic objective of the OTRI is to provide basic information on raw materials and finished products pertaining to oilseeds, oil bearing materials, oils etc. Further, the OTRI is offering varies M.Sc and M.Pharm courses.
