

## Bio-Data

1. Name (in Block letters) : **Dr. V. SANKAR**
2. Designation : Professor in EEE &  
Registrar i/c, JNTU Anantapur
3. Date of Birth : 22-02-1958
4. Educational Qualifications : **M. Tech., Ph. D**

| <b>Degree</b>                                       | <b>Class / Division</b>                   | <b>University</b>                                    | <b>Year of Passing</b> |
|---|---|--|------------------------|
| Bachelor Degree<br>B. Tech. (Electrical<br>Engg.)   | I <sup>st</sup> Class                     | JNTU College of<br>Engineering,<br>Anantapur         | 1978                   |
| Post Graduate<br>Course M.Tech.,<br>(Power Systems) | I <sup>st</sup> Class with<br>Distinction | JNTU College of<br>Engineering,<br>Kakinada – 533003 | 1980                   |
| Ph.D., (Power<br>System Reliability)                |   | I.I.T., Delhi  | 1994                   |

5. Date of first appointment and cadre : 30-07-1982\* (Lecturer in Electrical  
Engineering, presently designated as  
Asst. Professor)

\* Earlier served as Lecturer in Electrical Engineering from 1-10-1980 to 28-7-1982 at MIT, Manipal, Karnataka.

6. Service in different cadres :

| <b>Cadre</b>                                     | <b>Service</b>             |               |             |
|--|----------------------------|---------------|-------------|
|  | <b>Years</b>               | <b>Months</b> | <b>Days</b> |
| Assistant Professor (Lecturer)                   | 12                         | --            | --          |
| Associate Professor (Reader)                     | 07                         | --            | --          |
| Professor  | 09                         | 09            | --          |
| Head, Dept. of EEE                               | 03                         | 07            | --          |
| Vice-Principal                                   | 02                         | 07            | --          |
| Principal i/c                                    | 02                         | 00            | --          |
| Director i/c Foreign Affairs &<br>Alumni Matters | 00                         | 03            | --          |
| Registrar i/c                                    | 04/11/2010 to till<br>date |               |             |
| <b>Total</b>                                     | 28                         | 05            | --          |

7. Number of Seminars / Workshops / :  
Conferences / Guest Lectures  
attended

|    | <b>Organized</b>          | <b>Papers Presented</b> | <b>Acted as Resource Persons</b> | <b>Total</b> |    |
|----|---------------------------|-------------------------|----------------------------------|--------------|----|
| a) | International conferences | -                       | 06                               | 01           | 06 |
| b) | National conferences      | 04                      | 27                               | 02           | -  |
| c) | Regional                  | 04                      | -                                | -            | -  |
| d) | University level          | 04                      | -                                | -            | -  |
| e) | College level             | 04                      | -                                | -            | -  |

8. Number of books published (other :  
than publication of Ph.D., thesis)

Details: Title of the book: Electric Power Distribution and Automation

Authors: 1. Dr.S.Siva Naga Raju  
2. Dr.V.Sankar

Published by: Dhanpat Rai & Sons, Delhi

9. Number of Articles published in :  
standard Journals

|    | <b>Journals</b> | <b>Research Papers</b> | <b>Academic</b> | <b>Popular Articles</b> | <b>Total</b> |
|----|-----------------|------------------------|-----------------|-------------------------|--------------|
| a) | International   |                        |                 |                         |              |
|    | i) Journals     | 07                     | 07              | --                      | 07           |
|    | ii) Conferences | 06                     | 06              |                         | 06           |
| b) | National        |                        |                 |                         |              |
|    | i) Journals     | 05                     | 05              | --                      | 05           |
|    | ii) Conferences | 27                     | 27              |                         | 27           |
| c) | Regional        | --                     | --              | --                      | --           |
| d) | Faculty         | --                     | --              | --                      | --           |
| e) | Total           | 45                     | 45              | --                      | 45           |

10. Number of research scholars guided :

| <b>Degree</b> | <b>No. of Scholars obtained degrees</b> | <b>Funding agencies</b> | <b>No. of Scholars yet to submit thesis</b> | <b>Funding agencies</b> |
|---------------|---|-------------------------|---|-------------------------|
| Ph. D.        | 05                                      | JNT University          | 05  | JNT University          |

**The following are the achievements**

- i) Development of various labs in EEE Department viz., programming in ‘C’, Numerical methods, Data structures, Networks, Machines labs.
- ii) Development of and introduction of new subjects at UG/PG level in the area and Reliability Engineering in EEE Department and instrumental in deciding course structure and syllabus in this area and applications to power systems.
- iii) Served as Chairman Board of Studies at JNTUCE(A), Anantapur and presently member
- iv) Served as Member of Board of Studies at JNTUCE (A), H, Kukatpally, Hyderabad.
- v) Served as Member of Board of Studies of JNTU, Hyderabad at both UG and PG levels.
- vi) Member of various professional technical societies like SSI, ISTE, ISPE.
- vii) Senior Member of IEEE and applied for FIE.
- viii) Member of various Inspection Committees for JNTU, AICTE and staff selections committees at various colleges in Southern region.
- ix) TAPTEC scheme under AICTE got sanctioned for Rs.5 lakhs and completed.
- x) Five research scholars under my guidance and got awarded and presently five research scholars are pursuing the work.
- xi) Served as Organizing Secretary for one National Conference, one 2 week winter school, one 1 week refresher course, one three day workshop at EEE Department, JNTUCE (A), Anantapur.
- xii) Referee of “IEEE Transactions on Reliability” an International Journal
- xiii) Published 7 International Journal Papers, 6 International Conference papers, and about 27 National Conference papers and 5 National Journal papers, apart from attending various refresher courses.
- xiv) Involved in Examinations related work of confidential nature.
- xv) Encouraging students to choose appropriate careers based on their abilities
- xvi) Encouraging faculty to pursue research
- xvii) Encouraging the various Departments to conduct Community Services programmes under TEQIP.
- xviii) Received AP State Best Teacher Award on 5<sup>th</sup> September 2010.
- xix) Served as Director Foreign Affairs & Alumni Matters for three months.
- xx) Taken charge as Registrar i/c of JNTUA on 4<sup>th</sup> November 2010.
